Paul Lawrie Foundation Activity Pack

Welcome to the Paul Lawrie Foundation Activity Pack!

We at the Paul Lawrie Foundation have missed seeing you competing in our events or coming into the Paul Lawrie Golf Centre to hit some balls. We know you are missing lots of things at the moment, including golf, so we have provided a collection of golf related activities for you to enjoy. We would love to see your great work, please share your it with us on our social media channels.

Instagram - @paullawriefoundation

We are looking forward to seeing you soon once it is safe to do so.

Paul Lawrie

Literacy

What do you enjoy the most about Golf?

We would love to know exactly why you love the game of golf. Where do you play? Who do you play with?

Literacy

Acrostic Poem

We'd love to see your poetry skills! Use the letters below to tell us what you enjoy the most about golf in an acrostic poem

Numeracy, Problem Solving & Money

Problem Solving

Easy

Q1. Paul took 4 shots on the first hole and another 5 shots on the second hole. On the next hole, Paul sunk his putt for birdie 3. How many shots did Paul take for the first three holes?

Q2. Hannah was checking her golf bag before going to play in a competition . She realised she had 17 clubs in her bag however, 14 is the most clubs allowed. How many clubs did Hannah have to take out of her golf bag before she could start?

Q3. David started his round with 12 golf balls in his bag. During his round, he lost 2 balls and his playing partner Craig, ran out of balls so David gave him 3 of his. How many balls did David have left after he finished his round?

Medium

Q1. A full round of golf is normally played over 18 holes. If Paul only plays half-way round, how many holes will he play?

Q2. Paul was feeling energetic one day and played 2 times around his favourite 18-hole golf course. How many holes did Paul play in total?

Q3. In a tournament, for every score under Par (birdie) Paul decided to donate £25 to the NHS. He makes 5 birdies in his round. How much money will Paul donate to the NHS following his round?

Q4. Paul, Craig and Michael played a round of golf together. Paul scored 67, Craig scored 68 and Michael scored 70. What was the total number of shots taken by them as a group?

Hard

Q1. Paul is playing the 8th hole at Carnoustie during the Open Championship and is being watched by a crowd of spectators. Around the teeing ground there are 122 people. Along the right side of the hole there is 257 golf fans and a further 463 spectators up at the green. How many people in total watched Paul play the 8th hole?

Q2. Craig wants to buy the newest Driver because it's guaranteed to add 10% to his average driving distance. Using his current driver, Craig hits the ball 250 yards on average. How far will he hit the ball with his new driver?

Q3. In a tournament Sean recorded scores of 68, 72, 70 and 66. Can you work out Sean's average score?

Art & Design

Draw yourself playing golf

We are all missing golf so let's draw a picture of yourself playing golf. Remember to add colours and details. Where are you playing? Who are you golfing with?

Arts and Design

Design a Golf Hole

Use your imagination and artistic skills to design a golf hole below. Be a creative as you like with your designs.
